Emblemata: Paintings by Michael Pearce

Perfectly in harmony with the Carnegie's neo-classical architecture, Michael Pearce's dramatic allegorical paintings evoke a dreamlike world populated by people completely engaged in mysterious tasks. A master of glaze painting, his expansive paintings convey lightness and air, while remaining convincing as windows into an alternate universe. They invite interpretation, mystical reverie and attention.

Opening Reception

Saturday, September 8

5 -7 pm / \$5 suggested admission/ members free
